

Dear Year 2 Parents,

We would like to take this opportunity to extend an extremely warm welcome to Clarendon Junior School. We look forward to meeting you all in due course. Our aim is to provide your child with the best possible educational experience as they grow and develop; we are confident that your child will have four happy years with us.

The transfer of children from the Infant to Junior School is one of the many steps that your child will take in their school career and we aim to make this transition a smooth and happy one for both pupils and parents. Our staff are already liaising closely with the Infant School; all relevant information will be shared and collated during this term enabling the current year 2 classes transition to their new year 3 classes. The meetings between staff from Clarendon Infant School and Clarendon Junior School will ensure a positive transition process for all.

We would like to share the following dates which give an overview of the arrangements that have already been made for this term:

- Thursday 13th July – meeting for parents at Clarendon Junior School at 2pm
- Friday 21st July – Y2 to meet new class teacher and spend time at Clarendon Junior School for the morning.

In addition to these dates, the Year 3 teachers will be visiting Year 2 informally to meet the children and get to know them before they join us in September.

Year 2 children will also have the opportunity to visit the Junior School to take part in some activities with the current Y3 children – these include a sports sessions and a shared reading sessions later in the term – these dates are to be confirmed.

There is also useful information on the Year 3 page on our school website www.clarendonjuniors.co.uk that you may find helpful.

We do hope that you will be able to attend the parents meeting, and we look forward to welcoming your child into our school in September. In the meantime, if you have any questions, please do not hesitate to contact any of the Year 3 team at Clarendon Junior School.

We look forward to meeting you soon!
