

Hi

I'm Mrs. Longbourne!

Welcome to Clarendon Junior School and Polar Bear Class! We are really looking forward to meeting you all and can't wait to get to know you.

My name is Mrs. Longbourne and I am your class teacher! I am here to help you all to do the very best that you can and to have a happy time in the Juniors. I like to do lots of different activities and so I am sure that you will all find new things that you enjoy and are good at. Year 3 is so much fun and we learn about some really exciting topics - like the Ancient Egyptians and the amazing country of India!!

I am very passionate about teaching every subject but my absolute favourites are Science and Computing! I love finding out about how things work and learning about writing programs.

Would you like to know a little about me? When I am not marking books or planning lessons, I like to go for walks around the village I live in, taking photographs of all the beautiful scenery. I was lucky enough to spend a year living with my family in Canada, teaching in a Canadian school and my daughter now lives in Canada.

I am really looking forward to getting know you when we meet in September. Make sure you have a look at the school website (www.clarendonjuniors.co.uk) to find out more about Year 3 at Clarendon Junior School. Have a lovely summer and I will see you in September!
